25th Sunday after Pentecost

A bunch of robbers beat up and robbed a man, leaving him lying on a road. A priest walked by and did not help the man. Then a Levite walked by and did not help the man. Finally a man from another country called Samaria found the man. The Samaritan put band-aids on the beat up guy, and took the guy to a hotel

where he could get better. The Samaritan paid for the hotel room and promised to return to check on him later. Which of the three was a good neighbour?

You can read today's Gospel with your family. It can be found in the Gospel of Luke in Chapter 10 verses 25 - 37.
