21st Sunday after Pentecost

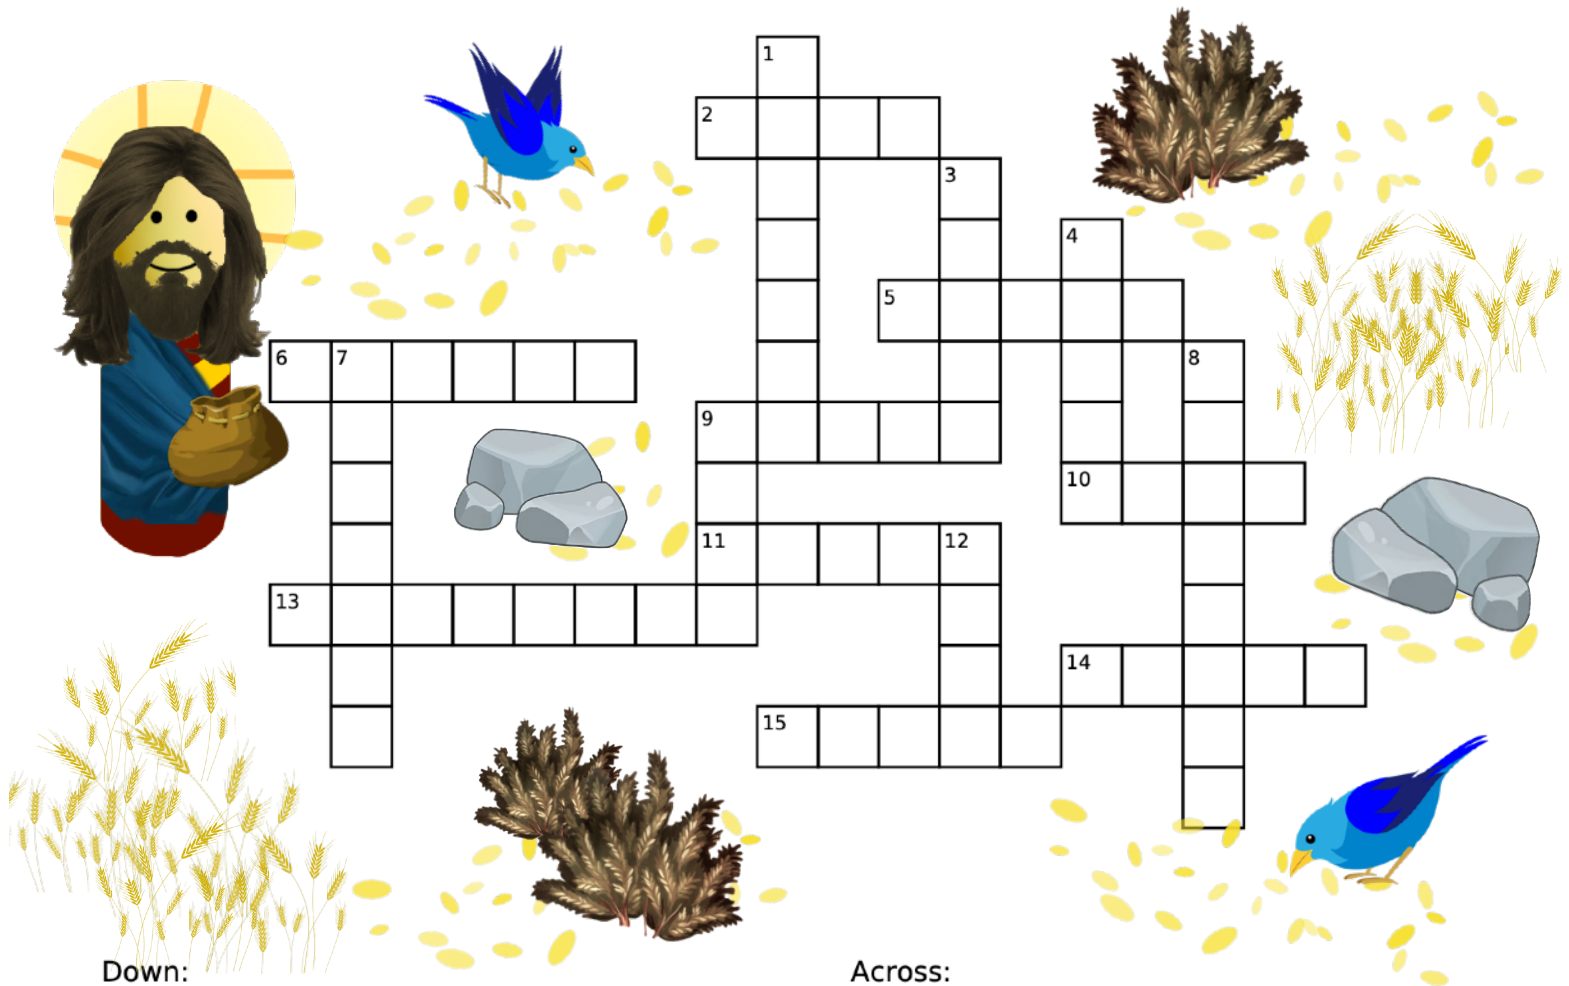

The Guy who sows seeds tosses them everywhere. Some seeds landed on a path and the birds ate them. Some seeds landed in the rocks. They grew in the rocks but poorly because they were dry. Other seeds fell on weedy soil. The weeds choked the seeds so they couldn't grow well. And some seed fell on good soil. These seeds grew super well.

You can read today's Gospel reading at home with your family. You can find it in the Gospel of Luke in chapter 8 in verses 5 - 15.

Jesus is the seed that God throws!

And we are the soil that those seeds come to. We need to keep ourselves open to Jesus. Like soil free from birds, rocks and weeds we can grow super well if we listen to Jesus, think about what He says, and we spend time with Him and not just stuff that does not matter.
