Third Sunday after Pentecost

God loves us more than plants and animals. We know He always takes care of the birds and the grasses. We need to trust that he will always take care of us too. There is nothing we need to worry about. So we can put 100% of our energy into loving God.

You can read today's Gospel with your family. It is found here: Matthew 6:22-33.

God will always take care of us.

Lets seek to know, love and serve God completely.
Lets not worry about earthly stuff.
